- A "Paid up Front" membership is a contractual obligation whereby you agree to pay up front for 11 months and get 12 months usage of the Trusts Facilities. INTRODUCTION

To help you get the best out of Basingstoke Sports Trust and to understand our responsibilities to you and your responsibilities to us, please read through these terms and conditions. Please remember that if you sign up to any of our online facilities, corporate memberships or groups, other terms and conditions may apply. We have endeavoured to make these terms and conditions as clear as possible.

Each membership type comprises of one or more activities. Careful consideration should be given as to which type of membership is most appropriate to you. Cost and affordability should form part of this process. For example, depending upon the number of times you take part in activity at the Centre/Club it may be more affordable to take out a membership rather than pay for individual activities, or day passes, each time you visit. Current membership prices and individual activity/day pass prices are available on our website and at Reception. It is your individual choice and preference as to which membership you decide to purchase. It is important to note that should you choose a membership type where, for any reason whatsoever, you are unable to participate in all of the activities/services available there will be no reduction to the monthly fee/payment or compensation paid. Similarly, should you become unable to take part in any activity included in your membership, for whatever reason, during the course of any membership there will

be no reduction in fees. However, we will consider suspension, freezing, termination and/or changing to another membership type depending upon the circumstances.

To make these terms and conditions easy to read, we have divided them into two parts.

PART A – Membership

All members must keep to the same terms and conditions, including adult, junior and child members whose memberships are linked to another member and junior and child members whose application form has been signed on their behalf by an adult.

PART B – Rules and Regulations for Using the Facility

These terms and conditions apply to **all** our customers and their guests. They are necessary to make sure we can offer an enjoyable and safe environment for you, your guest and our other members to share during every visit to your club.

These terms and conditions apply at all times and take priority over anything a member of our staff has told you. These terms and condition replace any previous versions.
