Little Fishes Swim School (Parent & Baby)

The Little Fishes Swim School is designed to meet the needs of toddlers and babies under 3 years old. All classes take place in the teaching pool, Basingstoke's only purpose-built facility. The pool is heated to 30 degrees celsius and is 60cm - 90cm deep; an ideal setting for your children to enjoy their introduction to the water. Parent and baby classes are a fun, shared experience, and provide a great opportunity for parents and carers to meet others.

Little Fishes Membership

All pupils get a swim school membership card (to swipe at reception for fast access). Membership includes 45 lessons per year and costs £19.50 per month. Payment is made by direct debit for 12 months.

Flexible Class Enrolment

New pupils are able to join lessons during any term; places will be allocated based on vacancies at the time. When children reach the next age group, they will be transferred to the appropriate class without having to re-enrol.

Moving up to Dolphin Swim School
