Pyjama week

Monday 19th - Sunday 25th July

*What to do: Bring a set of pyjamas to swimming to wear in the pool!
(Make sure to still wear your costume! Teaching pool classes, tops only. NO ONESIES to be worn in the pool)*

*Why: It's the last week of school before the summer and after an unusual 16 months, we need some more fun!
This will be an important opportunity to teach the children valuable water safety skills as we head in to the summer holidays*

The more outrageous the pyjamas, the better!

Do you think you can beat the teachers Pyjamas!?
