# Looking after you

Basingstoke Sports Trust takes your health and safety very seriously. Whilst we acknowledge that sport and physical activity carry some inherent risk, we undertake to do everything practicable to ensure you can enjoy participating in your chosen activity in a safe environment. As part of this we have a safeguarding policy which is designed to provide a safe environment for, and help to protect, children and vulnerable adults using the sports centre.

This policy includes matters such as prohibiting photography and use of electronic devices in high-risk areas, e.g. changing rooms and poolside, as well as how to manage concerns raised by customers and staff. Should you have any questions or concerns in relation to safeguarding at Basingstoke Sports Centre, please ask to speak to a Duty Manager in the first instance.
